

Dear Country Town Pool Member,

The Board of Directors and staff are planning for another wonderful season at the Country Town Pool. We will open the season on Saturday, May 23, 2009.

Please take note of the adjusted dues schedule. The adjustment was necessary to allow for a more efficient means of responding to redemptions during the pool-opening season. The late redemptions have become a significant source of lost revenue. The Board is working diligently to keep operating costs and dues as low as possible. If you have any questions, please call Dianna McIlwee at 672-9264 and she will be happy to help.

- Bill is due and must be postmarked by 4/30. 2009 dues are \$395.
- \$50 late fee if postmarked 5/1 -/5/15. Fee will be \$445
- Additional \$50 late fee (\$100 total) if postmarked 5/16 – 5/30. Fee will be \$495
- Additional \$50 late fee (\$150 total) if postmarked 6/1 – 6/7. Fee will be \$545
- June 8th stock would be absorbed *

***With a \$150 late fee and 2 weeks into the season at \$395 dues, fees would exceed stock amount on June 8th and membership will be revoked for non-payment.**

*****Return this portion with your payment**

Please share your email address with us so that we can email our newsletter and important information regarding the pool.
