

SPLASH

Printed for the Members of the Orange Country Town Pool
March 2010

GUEST POLICY

1. At the Board's direction, Pool Management shall refuse admission to any person who is not a member or who is not a guest of an active member.
2. The Stockholder must accompany their guests at the pool, register them and pay applicable guest fees.
3. The Stockholder shall be responsible for their guests and their comfort.
4. Any non-active member is a guest.
5. Each stockholder in good standing has a total of ten (10) free guest visits for each pool year. Upon reaching the 10 guest limit, a \$5 fee will be imposed per guest. The guest fee is \$2 if the guest is a child under the age of five (5). The fee applies regardless of the time of day the guest arrives.
6. A special pass can be issued for regular babysitters and/or grandparents at the rate of \$75 when the parent is not present. If the parent is present, the regular guest policy applies. Members interested in a babysitter pass should contact pool management.
7. One (1) special "Event Pass" will also be issued to each stockholder. The event must be supervised by a member; the picnic shelter or gazebo must be used and must be scheduled in advance with pool management. Pass issuance is at the management's discretion.
8. Pool Management has the Board's authority to suspend any member from the use of the facilities if the guest violates any of the rules governing conduct of members or guests. This authority includes Pool Management's suspension of the stockholders' guest privileges if a member fails to meet their obligations under this section of the rules.

NOTE FROM THE PRESIDENT

Hello All!

The snow has melted, the days are longer, and warmer, and we are gearing up for another fun and sun-filled season! New picnic tables are on the way, more umbrellas, a new lifeguard stand, as well as new equipment for the snack shack!

As you must be aware, due to the economic times, we elected last year not to raise dues, and we operated on a very tight budget. While we have crunched numbers again this year, we just are not able to get through this season with no increase in annual dues. The Board pays very close attention to these budgeted figures, and we felt that this 4% increase is justified, in order to cover operation expenses.

We appreciate any input from our members, and remind you that we meet on the 2nd Monday of each month, @ 7p.m., at the pool, during season. We welcome your ideas!

Here's to another great season at Country Town Pool!
